Our Principles and Commitment

Legitimacy

PURPOSE

Having a clear sense of direction and meaning in your career, and making a positive impact in your field.

Life Style

Freedom is the right to choose, the right to create for yourself the alternatives of choice.

Freedom

SECURITY

Power

Having a stable income to support yourself and your loved ones, and achieving financial independence

Growth Opportunities

Having opportunities to learn new skills, take on new challenges, and advance in your career

Work Life Balance

Maintaining a healthy balance between your work and personal life, and prioritizing your well-being

IDENTITY

Understanding your values, strengths, and passions to align with your career and express yourself authentically

Trust

IDENITY	PURPOSE	SECURITY
Being True to Yourself	Making a Meaningful Impact	Earning a Comfortable Living
Understanding your values, strengths, and passions to align with your career.	Having a sense of direction and meaning in your career	Having a stable income to support yourself and your loved ones
Your identity is the foundation of your career. When you know who you are, you can make choices that align with your values and strengths	Your purpose is the reason you get up in the morning. When you have a clear purpose, you're motivated to make a difference.	Financial security reduces stress and allows you to focus on your passions.
Identity (30%)	Purpose (30%)	Financial Security (20%)
